

Now Hiring Standardized Clients

Simulation-based training provides a bridge from learning to implementation in child welfare practice. Standardized Clients help bring simulation to life.

Who We Are

- Resource for child welfare agencies in Pennsylvania
- Provider of simulation-based training for child welfare professionals in the Commonwealth of Pennsylvania

Who You Are

- Passionate about helping others learn
- Able to accept feedback and direction
- Interested in acting and improvisation
- Looking for part-time, flexible schedules (available between 8am and 5pm)
